

Team Xtreme

Team Xtreme is an evangelism ministry who use feats of strength and cultural expression to present a message that people need to get, to go away changed and free from the bondages that hold them back. Break bricks, bend rebar and 12 inch nails, tear phone books, share personal experiences and use cultural dances are one of our tools we're using to give to the people a physical picture of what our spiritual battle looks like.

Kings Kids / Les Fabricants de Joie

King's Kids is an international, interdenominational, relationship based movement of Christian volunteers who share a common commitment to a defined purpose, values and relationships. It is a ministry of Youth With a Mission (YWAM) that functions in partnership with families, churches and other like minded ministries.

Fabricants de Joie est un mouvement international et interdénominationnel. Il est présent aujourd'hui dans plus de 60 pays et sur tous les continents. Il propose des activités pour les enfants, les adolescents et les familles, ainsi que des formations pour les personnes travaillant parmi la jeunesse.

Les Fabricants de Joie Internationaux, un département de Jeunesse en Mission, désirent donner aux enfants et aux adolescents de toutes les nations la possibilité d'établir une relation profonde et stable avec Dieu en participant à l'accomplissement du dernier commandement de Jésus-Christ : "Allez, faites de toutes les nations des disciples..." (Matthieu 28 verset 19). Ceci est possible grâce à l'étroite collaboration des familles et des églises locales. Les Fabricants de Joie Internationaux sont une organisation chrétienne à but non lucratif n'employant que des bénévoles.
